Dear Community Member:

Mesa American and Dobson South Little Leagues are a non-profit organization with a long and well established history in the community. MALL/DSLl provide Little League Baseball and Softball programs to boys and girls between the ages of 5 and 16 in our local boundaries.

Each year, we have between 600 and 700 boys and girls on over fifty different teams. The league tries very hard to keep its registration fees low in an effort to make Little League affordable and available to everyone in our community. **One hundred percent of sponsorship donations go directly to league activities.** No money is taken out for administrative costs since Managers, Board Members, and Coaches are all volunteers.

As a direct result of the generosity of our sponsors, we have NEVER turned anyone away who cannot afford to play baseball or softball. The sponsors that step forward and help us accomplish this task are remarkable people that make our small community so great.

On behalf of the Mesa American and Dobson South Board members, players, and the many, many volunteers, I would like to thank you in advance for your generous support of our Little League programs.

Thank You,

MALL Board of Directors
